9 -ONE BEDROOMED DWELLINGS LAND OFF CRESCENT ROAD, HEMEL HEMPSTEAD

I refer to the application of 28 January in respect of the above development. This matter was discussed at the Development Control Committee on 5 June when it was resolved that, subject to provisos, the development be carried out pursuant to provisions of Regulation 4(5) of the Town and Country Planning (General) Regulations 1976.

When agreeing to the implementation to this scheme the Committee were concerned that Housing Committee be requested to ensure that the following matters be carried out.

- (a) That the upper floor windows in block 2 be obscure glazed to prevent any overlooking of gardens to the rear, and
- (b) That details of landscaping and boundary treatment be agreed with the Chief Planning Officer before work is commenced on site.
