Dear Sir,

20th November 1978  
Your application dated ..... has been considered  
under the provisions of Section 53 of the Town and Country Planning  
Act, 1971, to determine whether planning permission is required in  
respect of Use of premises (The Printing Works) Chesham Road,  
Berkhamsted for carrying out printing operations and  
installation of associated printing equipment.

You are hereby given notice that the proposals set out therein ~~do~~  
~~do not~~ constitute development within the meaning of the said Act, ~~but~~ and therefore

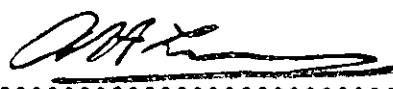

(a) planning permission must be obtained before any such proposals  
can be carried out

~~(b) do not require the permission of the Local Planning Authority.~~

The grounds for this determination are as follows:

The premises comprise two separate planning units with differing uses  
and the use of the whole application site for printing purposes, together  
with ancillary storage and distribution, constitutes development within  
the meaning of S.22 (1) of the Town and Country Planning Act 1971, and  
that, having regard to S.22 (2) and the Town and Country Planning General  
Development Order 1977, planning permission in respect of this proposed use  
is required under Part III of the Act.

Dated 20th December 1978 .....

Yours faithfully, 

.....  
Director of Technical Services.
