Date of Decision: 10 November 1999

**REASONS FOR REFUSAL APPLICABLE TO APPLICATION: 4/01622/99/FUL**

**Date of Decision: 10 November 1999**

**1. The glasshouses are shown to be located above the line of a major oil pipeline. This will pose a threat to public safety, and, as a consequence, the proposed development is unacceptable.**

**2. The proposed glasshouses are located too close to the boundary of the site and will pose a serious risk to the existing boundary landscaping. Any loss of this landscaping would be seriously detrimental to the visual amenity of the area.**
