at ... and new unit	
..... 24 Malting Lane, Aldbury, Herts	

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 14.9.89 and received with sufficient particulars on 26.9.89 and shown on the plan(s) accompanying such application, subject to the following conditions:—

- (1) The development to which this permission relates shall be begun within a period of ... 5 ... years commencing on the date of this notice.
- (2) The development hereby permitted, together with the remainder of the property of which it shall form a part shall be used only for domestic purposes as a single family dwelling.
- (3) The conservatory shown on Plan No 4/1624/89 shall be provided prior to the first occupation of the remainder of the development hereby permitted.
- (4) The development hereby permitted shall not be occupied until the arrangements for vehicle parking shown on Plan No. 4/1624/89 shall have been provided and they shall not be used thereafter otherwise than for the parking of vehicles.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

- (1) To comply with the requirements of Section 41 of the Town & Country Planning Act, 1971.
- (2) (a) To ensure that the development hereby permitted is permanently retained as an annex to the existing dwellinghouse as the creation of a separate residential unit would be contrary to the strategic policies of the local planning authority as expressed in Hertfordshire County Structure Plan 1986 Review and Dacorum District Plan.
(b) The provision of two independent residential units would not meet the environmental guidelines specified in Policy 66 of the Dacorum District Plan.
- (3) The provision of a permanent link between the converted carport and shed and the existing dwelling will ensure that the development is permanently used as an annex to the existing dwellinghouse as the creation of a separate residential unit would be contrary to the strategic policies of the local planning authority as expressed in Hertfordshire County Structure Plan 1986 Review and Dacorum District Plan.
- (4) To ensure the adequate and satisfactory provision of off-street vehicle parking facilities.

Dated.....19th.....day of.....December.....1989.....

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971, within six months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Marsham Street, London, S.W.1.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.
