Dear Sirs,

POST HOUSE HOTEL, BREAKSPEAR WAY
YOUR REF: 4/1641/88

Further to the meeting and telephone conversations between Mr. J. Knapp and Mr. K. Sagar of this office, concerning your recommendation to refuse Outline Planning Consent at the forthcoming Planning Committee Meeting, we confirm that we wish to withdraw this application from the Committee Meeting of 20th October 1988.

Instead, as also discussed, we have suggested a meeting at Chief Planning Officer level, involving ourselves and the Chief Architect of Trusthouse Forte, at which the outstanding problems regarding this proposal can be discussed. We have suggested Tuesday, 25th October or 1st November and would be grateful if you could confirm if either of these dates is suitable.

Yours faithfully,

Peter J. Lord
