Director of Planning

Date of Decision: 16.02.1996

(ENC Reasons and Notes)

REASONS FOR REFUSAL  
OF APPLICATION: 4/1641/95

Date of Decision: 16.02.1996

The proposed extension due to its height, mass and design is unsympathetic to the character of the dwelling itself and would have a seriously detrimental effect on the amenities of adjacent dwellings.
