Change of Use of former Council tip for  
Motor Cycle Trials, Red Lion Lane, Kings Langley

At their meeting on 7th February 1980 the Development Control Committee passed the second resolution under Article 5(4) of the Town and Country Planning General Regulations authorising the development the subject of the planning application made on behalf of the Leisure Committee, and formally registered on 14th November 1979 and so claimed "deemed permission". This permission is, however, subject to the imposition of the following condition:-

"No activities authorised under this permission shall take place except between the hours of 8.00 a.m. and 8.00 p.m. on Mondays to Saturdays inclusive, and 10 a.m. and 4 p.m. on Sundays".

This constitutes formal notification of that decision.
