I refer to your letter dated 19 November 1999 regarding the above mentioned trees.

Please find attached the decision notice approving the works to the preserved Horse Chestnut trees, labelled 1 and 2 by your submitted plan.

I would onfirm that the proposed works to the Sycamore trees are acceptable. This is so long as the work is carried out in accordance with the details specified by your letter dated 19 November 1999.

If you wish to discuss please telephone Adrian Kingsbury or myself.

Yours sincerely
