Brief
description
and location
of proposed
development.

In pursuance of their powers under the above-mentioned Acts and the Orders and Regulations for the time being in force thereunder, the Council hereby permit the development proposed by you in your application dated 22 September 1989 and received with sufficient particulars on 17 October 1989 and shown on the plan(s) accompanying such application, subject to the following conditions:—

- (1) The development to which this permission relates shall be begun within a period of 5 years commencing on the date of this notice.
- (2) The development hereby permitted shall not be occupied until the arrangements for vehicle parking and circulation shown on plan number 4/1751/89, drawing No. PD 57 88 4A shall have been provided and they shall not be used thereafter otherwise than for the purposes approved.
- (3) The developer shall construct the crossover to standards set out in the current edition of Hertfordshire County Council's "Specification for the Construction of Residential Estate Roads" and the development shall not be brought into use until the access is so constructed.
- (4) No development shall take place until there has been submitted to and approved by the local planning authority a scheme of landscaping, which shall include indications of all existing trees and hedgerows on the land, and details of any to be retained, together with measures for their protection in the course of development, and details of numbers, species and proposed planting location of all new trees, shrubs and hedgerows.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

- (1) To comply with the requirements of Section 41 of the Town & Country Planning Act, 1971.
- (2) To ensure the adequate and satisfactory provision of off-street vehicle parking facilities.
- (3) In the interests of highways safety.
- (4) & (5) To maintain and enhance visual amenity.
- (6) To ensure a satisfactory appearance.
- (7) To maintain and enhance visual amenity.
- (8) In the interests of highways safety.
- (9) To ensure a satisfactory development.
- (10), (11) & (12) To ensure a satisfactory appearance.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment, in accordance with section 36 of the Town and Country Planning Act 1971; within six months of receipt of this notice. Appeals must be made on a form which is obtainable from the Secretary of State for the Environment, Marsham Street, London, S.W.1.) The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve, on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part IX of the Town and Country Planning Act 1971.

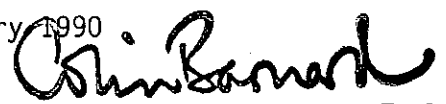

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 169 of the Town and Country Planning Act 1971.

Conditions continued:-

- (5) All planting, seeding or turfing comprised in the approved details of landscaping, shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species, unless the local planning authority gives written consent to any variation, and for the purposes of this condition a planting season shall be deemed to commence on 1 October and to end on 31 March in the next following year.
- (6) All external walls, roofs, windows, doors, water and drainage fittings shall be constructed and finished in accordance with a schedule of materials and finishes, which shall be submitted to and approved by the local planning authority before any development is commenced.
- (7) The development hereby permitted shall not be occupied until the boundary fences, walls, hedges or other means of enclosure, shall be constructed/planted in accordance with details to be first approved by the local planning authority; and thereafter retained in accordance with the details so approved.
- (8) Sight lines of 2.4 m x 42 m to the south-west and 2.4 m x 35 m to the north-east shall be provided in each direction within which there shall be no obstruction to visibility between 600 mm and 2.0 m above carriageway level.
- (9) The conversion of the ground floor of the existing premises into flats shall be completed not later than 6 months after the occupation of the offices hereby permitted.
- (10) All windows shall have stone or reconstituted stone lintels over them to match in size and detail those to the existing building.
- (11) All windows shall be white painted timber double-hung sashes to match windows on the existing building.
- (12) The development hereby permitted shall not be commenced until details of the materials to be used for the car parking area and other areas of hard surfacing shall have been approved by the local planning authority and these areas shall thereafter be retained in accordance with the details so approved.
