Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
41 GEORGE STREET, BERKHAMSTED, HERTS, HP4 2EG**

Thank you for your letter of 05 October 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The Eucalyptus tree has outgrown its surroundings and is beginning to cause damage to the adjacent public footpath. As a consequence, and despite its high amenity value, it is not appropriate for the tree to be protected by a Tree Preservation Order. There are no objections to the proposed works to the Birch and Robinia trees, and these works will not harm the character or appearance of this part of the Berkhamsted Conservation Area.

This decision, which was made on 09 November 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

David Noble
Development Control Manager
