Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
WATER END MOOR, THE MOOR, WATER END, HEMEL HEMPSTEAD, HERTS**

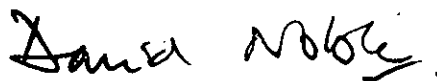

Thank you for your letter of 05 October 2000 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The removal of the two Weeping Willows will not have an adverse impact on the character or appearance of the Conservation Area. As the trees do not merit protection by means of a Tree Preservation Order, there are no objections to their removal. However, because there is no overriding need to remove Tree 1, it would be preferable to consider pruning this tree rather than felling it.

This decision, which was made on 21 November 2000, allows you to progress these works. If the works covered by your notification are not carried out within two years of the date of your letter you will need to send a further notification to the Council.

Yours faithfully

David Noble
Development Control Manager
