9th November 1988

Dear Mr. Barnard

re: 46-56 Alexandra Road, Hemel Hempstead. (4/1993/88)

Further to our meeting with John Knapp (in lieu of Miss Bocknacki) on the 7th November 1988; we are writing on behalf of our clients IDC Limited to ask that our earlier application, ref. 4/1808/88, be withdrawn.

With regard to the current application, we would be grateful if your officers could point out to the Highways Department that the proposed access way is sited for all practical purposes in the same position as the existing commercial vehicles access to the Javelin Press building at 48 Alexandra Road and is thus effectively a modification of any existing access rather than a new access.

We anticipate that our proposals will be considered at the 15th December Committee meeting and have arranged a meeting with Miss Bocknacki on the 21st November (apparently the earliest date available) so that the scheme can be discussed in some detail prior to the preparation of the report to the Committee.

Yours sincerely,  
 LARDI COX & PARTNERS
