Dear Sir

**RE: PROPOSED DWELLING ON LAND AT REAR OF  
99 MISWELL LANE, TRING. REF: 4/1889/88.**

Following our recent telephone conversations we write to thank you for your informal comments concerning the above, and would ask that the application be withdrawn at this stage.

In view of the advice that you have given at this stage, we feel that we should consult with our Client and explore the possibility of changing the boundaries of the application site. We therefore propose re-applying still in outline form only in the not too distant future, and we understand that this would be done under the application fee which covers the current application.

We look forward to your confirmation of this application having been withdrawn.

Yours faithfully
