

CONDITIONS APPLICABLE TO APPLICATION: 4/01957/99/TPO

Date of Decision: 04 January 2000

1. The work hereby authorised shall be completed within two years of the date of the decision notice.

Reason: To ensure that any change in circumstances or in the condition of the trees is taken into account.

2. The works hereby authorised shall be limited to the following:

Ash tree to the east of the house: Crown reduce by a maximum of 25%, making all cuts to a suitable side branch or growing point.

Remaining trees - 2 No. Oak, 2 No. Ash and 1 Hawthorn: Carry out formative pruning to include removal of deadwood, weak or crossing branches as necessary. No works shall be carried out which involve any reduction in the crowns of these trees.

Reason: The Ash is growing in close proximity to the house and has considerable growth potential. The works will delay the inevitable removal of this tree. With regard to the remaining trees, the works will allow these younger trees to develop well structured crowns.

3. All work shall be carried out in accordance with B.S.3998:1989 "Recommendations for tree work".

Reason: To ensure a satisfactory standard of tree work.
