Dear Sirs

DOE CIRCULAR 18/84
PROPOSED DEVELOPMENT BY MINISTRY OF DEFENCE
RAF BOVINGDON - DCS SITE SECURITY

I write with reference to the above consultation.

The Borough Council have no objections to the proposals as indicated on your drawings. Bovingdon Parish Council have expressed the preference for a concrete panel and post form of enclosure that could be removed in the future. However, it should be noted that the Borough Council do not concur with this view, and feel that the more secure wall, as proposed, is more appropriate.

Yours faithfully
