Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
45 CHARLES STREET, BERKHAMSTED, HERTS, HP4 3DQ**

Thank you for your letter of 31 October 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. The proposed works will not have an adverse effect on the character or appearance of the Conservation Area, because these trees have been regularly pollarded in the past and, as a result, have very limited amenity value.

This decision, which was made on 04 January 2000, allows you to progress these works.

Yours faithfully
