Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:  
ADJ. 97, AKEMAN STREET, TRING, HERTS**

Thank you for your letter of 16 November 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

. The two Ash trees are self-seeded specimens which are totally inappropriate in their location immediately adjacent to the building and the Hawthorn is quite an insignificant tree. As there are other trees in the vicinity, the removal of the Ash trees and the works proposed to the hawthorn will not harm the character or appearance of the Conservation Area.

This decision, which was made on 12 January 2000, allows you to progress these works.

Yours faithfully
