Dear Sir/Madam

**WORKS TO TREES IN THE CONSERVATION AREA:
THE GREY HOUSE, KITSBURY ROAD, BERKHAMSTED, HERTS, HP4 3EA**

Thank you for your letter of 26 November 1998 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reasons:

1. The Sycamore and Yew are too close to the house, the Cherry is diseased, the two Apple trees are over mature and the Hazel is in poor condition. None of these trees is worthy of protection by a Tree Preservation Order.

This decision allows you to progress these works.

Yours faithfully

Director of Planning
