LEVERSTOCK GREEN SHOPPING AREA - REFURBISHMENT OF CAR PARK AND NEW ACCESS ROAD

I refer to the application made in respect of the above proposal, which was discussed at the meeting of Development Control Committee on 22 February 1990. Although concern was expressed as to the possible conflicting traffic movements resulting from the new egress point it was, however, resolved to carry out the development pursuant to Regulation 4(5) of the Town and Country Planning (General) Regulations 1976.

This memorandum constitutes a formal notification of the decision made by the Committee.
