Dear sir/madam

**WORKS TO TREES IN THE CONSERVATION AREA:
TREES, KITSBURY TERRACE, BERKHAMSTED, HERTS, HP4 3EE**

Thank you for your letter of 28 November 1999 notifying the Borough Council of your intention to carry out the above works.

The Council have no objections to your proposals for the following reason(s):

The proposed works will not adversely affect the character or appearance of the Conservation Area, provided the works are limited to the following:

Tree 1 - Lime - Repollard to point of most recent reduction i.e. approximately a third of crown height.

Tree 2 - Beech - Clean out crown and selectively thin by a maximum of 20%. Shorten back overlong side laterals if required.

Tree 3 - Sycamore - Overall reduction by a maximum of 2 metres while retaining crown shape and appearance. Selectively thin remainder of crown by 20% and shorten back laterals extending over garden.

This decision, which was made on 04 January 2000, allows you to progress these works.

Yours faithfully
