Dear Sirs

PROPOSED WORKS TO TREES: 1 CHURCH ROAD, FLAMSTEAD

I write further to your letter of 8 December 1998 regarding the intention to undertake works to a Blue Cedar, Silver Birch and Cherry tree at the above address.

Having considered the proposal Dacorum Borough Council object to this proposal as the works would be detrimental to the health and visual amenity of the trees. The trees are located in a prominent location in the street scene and have an important public amenity value. Therefore, you may be aware that Dacorum Borough Council as local planning authority have served a Tree Preservation Order on the owners of the trees (TPO reference 334) under section 198 of the Town and Country Planning Act 1990.

I trust this is self explanatory, if you wish to discuss this further please do not hesitate to contact me on the above number.

Yours sincerely

TAM
