(adjoining R.C. Church, Park Street)

At their meeting on 25th October 1979 the Development Control Committee passed the second resolution under article 4(5) of the Town and Country Planning General Regulations 1976 authorising residential development the subject of planning application made on behalf of the Housing Committee, and formally registered on 5th September 1979 and so "claimed deemed permission".

The Regional Controller directed that the detailed layout of the junction with the A.41 trunk road be the subject of formal approval by the Highway Authority.

This constitutes formal notification of that decision.
