23rd June, 1965.

Dear Sirs,

Plot 14 off Durrants Hill Road.

As I have not heard from either you or Mr. Sayers in reply to my letter of the 21st April, 1965, I propose to register this application as withdrawn on the 30th June. This will not, of course, prejudice re-opening the matter at some time in the future if a complete and satisfactory new application is made.

I am sending a copy of this letter direct to your client at his private address, 24, Oak Street, Hemel Hempstead.

Yours faithfully,

X Borough Engineer.
