*KS*

MEMORANDUM FROM THE WEST HERTS  
DIVISIONAL PLANNING OFFICER.

Your Ref: KS/JMW/  
My Ref: AFR/MS.

To: The County Planning Officer.

3rd September, 1951.

*SECTION 35*

Watford Nash Mills C.E. Primary  
School, Additional Playing Fields.  
Application W/174/51.

*DEEMED  
CONSENT*

I have now received from the Development Corporation an amended preliminary plan of the proposed Neighbourhood Centre at the junction of Belswains Lane and Road No.303.

The proposed school extensions fit in with the lay out and I see no objection to the proposal.

It is noted the tongue of land to the South west of the larger extension is at present gardens of the adjacent cottages in Belswains Lane, and I assume arrangements are being made for these gardens to remain in cultivation until the cottages are removed.

  
Divisional Planning Officer.
