3rd January, 1952.

Dear Mr. Wilson,

Bungalow and Pig Sty, The Nurseries,  
Scatterdells Lane, Chipperfield, Herts.  
Application W/257/51.

As nothing further has been forthcoming in respect of the above application in response to my letter of the 13th April, 1951, requesting revised plans and elevations, I am wondering if the application can be considered withdrawn without prejudice to any future submission.

Yours faithfully,

Divisional Planning Officer.

I. Wilson Esq.,  
Engineer & Surveyor.
