Messrs. W. Brown & Co.,
High Street,
Tring,
Herts.

Dear Sirs,

Pair of Forest Workers' Cottages,
Soldiers Bottom, Berkhamsted.

I believe that a member of your staff informed me verbally that your client had changed her ideas with respect to the siting of these cottages and that it was proposed to place them in Amersham Rural District. If this is so, I should be obliged if you would confirm it in writing in order that the application that you made to my Council can be considered as withdrawn and the file closed.

Yours faithfully,

ENGINEER & SURVEYOR.
