TOWN & COUNTRY PLANNING ACTS, 1962 to 1968

To L.R.N. Lewis, Esq.,
 Hastoe Hill Farm,

Proposed siting of caravan for farm worker at <u>Hastoe Hill Farm, Hastoe, Tring.</u>

Brief
 description
 and location
 of proposed
 development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby permit the development proposed by you in your application dated 13th January, 1971 and received with sufficient particulars on 13th January, 1971 and shewn on the plan(s) accompanying such application, subject to the following conditions:-

- (1) ~~1~~ The development to which this permission relates shall be begun within a period of five years commencing on the date of this notice.
2. The permission hereby granted shall expire on 31st December, 1971 and the caravan shall be removed from the site by that date unless application has previously been made and approved for its further retention.
3. The permission hereby granted shall only enure for the benefit of a farm worker employed at Hastoe Hill Farm.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:-

- (1) To comply with the requirements of Section 65 of the Town & Country Planning Act, 1968.
2. To enable the position to be reviewed at the end of that period in
- & 3. the light of circumstances existing at that time bearing in mind that the caravan is situated within an area without notation on the County Development Plan where only such development as would be appropriate within the neighbouring Metropolitan Green Belt is permitted. Within the Green Belt it is the policy of the Local Planning Authority to allow only development which is essential for agricultural or other genuine Green Belt purposes, or for some other outstanding reason. Insufficient purpose or reason has been advanced in this case to justify, on agricultural grounds, the granting of a permanent planning permission.

Dated..... 11th day of March 1971

Clerk/Surveyor of the Council.

NOTE

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the Minister of Housing and Local Government, in accordance with section 23 of the Town and Country Planning Act 1962, within six months of receipt of this notice. (Appeals must be made on a form which is obtainable from the Minister of Housing and Local Government, Whitehall, London, S.W.1.) The Minister has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Minister is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order. (The statutory requirements include section 6 of the Control of Office and Industrial Development Act 1965 and section 23 of the Industrial Development Act 1966).

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Common Council, or on the Council of the county borough, London borough or county district in which the land is situated, as the case may be, a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VIII of the Town and Country Planning Act 1962 (as amended by the Town and Country Planning Act 1968).

(4) In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 123 of the Town and Country Planning Act 1962.
