L.A. Ref. No.	5645

ADMINISTRATIVE COUNTY OF HERTFORD

The Council of the ~~Borough~~.....
~~Urban District~~.....
 Rural District of Hemel Hempstead.

TOWN & COUNTRY PLANNING ACT, 1962

To Mr. F. J. Parish,
 88, High Street,
 BOVINGDON,
 Herts.

..... Use of land for residential development..... at 88, High Street, Bovington, Herts. (Part Parcel 371 on OS.HERTS.XXXV111.2)

Brief description and location of proposed development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby refuse the development proposed by you in your application dated 10/5/65..... and received with sufficient particulars on 12/5/65..... and shewn on the plan(s) accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:—

1. The site is within a proposed extension to the Metropolitan Green Belt where it is the policy of the Local Planning Authority not to allow development unless required for agricultural or allied purposes. No such need has been proved.
2. The site is within the village of Bovington which, under the Local Planning Authority's Green Belt policy is a "listed" village, i.e. within which only a limited amount of further development should be allowed on frontages and residential areas as set out in the Written Statement to the Review of the County Development Plan. The site of the proposed development is not within one of the frontages referred to and the proposed development would, therefore, be contrary to the Local Planning Authority's Green Belt policy for the restriction of further development in rural areas.

NOTE.

(1) If the applicant wishes to have an explanation of the reasons for this refusal it will be given on request and a meeting arranged if necessary.

(2) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provision of Section 17(1), 18(1) and 38 of the Act and of the Development Order and to any directions given under the Order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.

(4) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 and Part VI of the Town and Country Planning Act, 1962.

3. The proposal does not accord with a principle for residential development also contained in the Written Statement to the First Review of the County Development Plan, which states that every new dwelling should have an outlook over a public approach and not be so placed that the outlook is either seriously curtailed or entirely enclosed by areas over which the occupants of the dwelling have no control.
