TOWN & COUNTRY PLANNING ACT, 1947

To Messrs. Kings Langley Poultry Farms Ltd.,
Mill House,
Mill Lane,
Kings Langley.

WEST HERTS. DIVISIONAL
PLANNING OFFICE
23 AUG 1962

Poultry House
at Rectory Farm, Kings Langley.
(Part of Parcel 392 on OS. HERTS. XXXV111.4)

Brief description and location of proposed development.

In Pursuance of their powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby permit the development proposed by you in your application dated 6/6/62 and received with sufficient particulars on 7/6/62 and shown on the plan(s) accompanying such application, subject to the following conditions:—

- 1. The poultry house hereby permitted shall not exist simultaneously on the land with an equivalent floor area of the existing poultry huts on that part of the application land containing and nearest to the proposed poultry house.
- 2. A scheme for the planting of trees in the vicinity of the proposed poultry house shall be submitted to the Local Planning Authority for their approval not later than six months after the commencement of the development hereby permitted and the scheme as approved shall be completed within one year after the date of such approval and thereafter maintained to the reasonable satisfaction of the Local Planning Authority.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

1. The proposed poultry house and the application land generally are on a prominent site which forms part of the Metropolitan Green Belt in which it is the policy of the Local Planning Authority to restrict further development of all kinds in order to retain the character and amenities of the Green Belt. The addition of the poultry house to the existing poultry huts on the application land would result in an excessive amount of structures on the land to the detriment of the visual amenities of the locality.
2. The the interests of the visual amenities of the area.

Clerk ~~Secretary~~ of the Council

NOTE.

(1) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 16 of the Town and Country Planning Act, 1947. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of Section 14 of the Act and of the Development Order and to any directions given under the Order.

(2) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County Borough or County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 19 of the Town and Country Planning Act, 1947.

(3) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 20 of the Town and Country Planning Act, 1947, and Part II of the Town and Country Planning Act, 1954.
