J.H. Doubleday, Esq., C.B.E.,  
County Planning Officer,  
Planning Department,  
County Hall,  
Hertford.

4th September, 1964.

Dear Mr. Doubleday,

Residential Development off Redbourn Road  
Highfield Scheme 14

I refer to your letter of 31st August and I must tell you that I am seriously perturbed that even after four months of consideration you are still not prepared to issue an outline approval on the plans I have submitted. I had hoped to open negotiations with the Ministry on this scheme, which includes a number of new principles, with the formal approval of the planning authority. The lack of any permission has caused serious delay and involved me in a considerable amount of extra work, about which the Housing Committee will be very concerned.

In the circumstances, I have had to proceed with the full details of the scheme and I now withdraw my outstanding application (Plan 8547)\* and ask you to approve the details which I now submit in accordance with the condition imposed on the planning permission dated 27th January 1964. (Plan No. 8402. Your ref. U/2472 - 63.) Please ensure that this submission receives immediate attention.

The requisite copies of the plans and Form D.C.5 are enclosed.

Yours sincerely,

Signed  
A. H. TURNER

Borough Engineer.
