at <u>Newhouse Farm, Bovington, Herts.</u> <u>(Pt. Parcel 564 and Pt. 565 on OS. HERTS. XXX111.14.)</u>

Brief description and location of proposed development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby permit the development proposed by you in your application dated ..... 27/7/64 ..... and received with sufficient particulars on ..... 28/7/64 ..... and shewn on the plan(s) accompanying such application, subject to the following conditions:—

1. Any existing buildings on the site which are retained, and the proposed buildings hereby permitted, shall be used only for photographic processes and research in connection therewith or for uses ancillary to the principal use of the application site for the said purposes.
2. Simultaneously with the carrying out of the development hereby permitted and the use of the application site for the permitted use, provision shall be made within the site for the parking of all motor vehicles associated in any way with the use of the site.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

1. The site is within the Green Belt, in which it is the policy of the Local Planning Authority to permit new development only for agricultural or allied purposes, save in exceptional circumstances. Permission is granted to the proposed development only because the applicant is already established in the area in unsatisfactory premises which are also within the Green Belt.
2. To ensure that provision is made for the parking of motor vehicles associated with the use of the site, in accordance with the Local Planning Authority's policy in respect of car parking provision.

NOTE.

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the Applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of Section 17(1), 18(1) and 38 of the Act and of the Development Order and to any directions given under the Order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.

(4) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 and Part VI of the Town and Country Planning Act, 1962.
