L.A. Ref. No.	8990

ADMINISTRATIVE COUNTY OF HERTFORD

The Council of the BOROUGH OFHEMEL HEMPSTEAD.....
~~URBAN DISTRICT OF~~.....
~~RURAL DISTRICT OF~~.....

TOWN & COUNTRY PLANNING ACT, 1962

To Mr. P.C. Sear,
8 Box Lane,
Hemel Hempstead

.....site for three (3) detached houses..... at 8 Box Lane, HEMEL HEMPSTEAD

Brief description and location of proposed development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby refuse the development proposed by you in your application dated 8th October 1965 and received with sufficient particulars on 26th October 1965 and shewn on the plan(9) 8990 accompanying such application.

The reasons for the Council's decision to refuse permission for the development are:—

1. There is no satisfactory means of access between the application site and Box Lane which would enable the proposed development to be implemented.
2. The site forms part of an area which should be developed on a comprehensive basis with certain minimum standards being observed for the residential development, having regard to the character of the locality and the restricted access to Box Lane, in the interests of highway safety. The development now proposed would be premature in the absence of an agreed scheme showing how all the land within the scheme can be developed in a satisfactory manner.

Dated Third day of January 1966

C. W. Park
Town Clerk/Surrender of the Council.

NOTE.

(1) If the applicant wishes to have an explanation of the reasons for this refusal it will be given on request and a meeting arranged if necessary.

(2) If the Applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provision of Section 17(1), 18(1) and 38 of the Act and of the Development Order and to any directions given under the Order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.

(4) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is refused, or granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 and Part VI of the Town and Country Planning Act, 1962.
