Brief description and location of proposed development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby permit the development proposed by you in your application dated
and received with sufficient particulars on **9th November, 1964.**
and shewn on the plan(s) accompanying such application, **10th November, 1964.** subject to the following conditions:—

1. The use of the building hereby permitted shall be confined to that of storage and to no other use whatsoever.
2. The external walls of the proposed building shall be carried out in materials and treated to the reasonable satisfaction of the Local Planning Authority.
3. Within three months of this permission a plan shall be submitted to the Local Planning Authority indicating the proposed use of the application site including the area to be laid out and used for the parking of motor vehicles associated with the use hereby permitted and the scheme as approved shall be carried out within six months of the date of its approval.
4. A scheme for the planting of trees on the north-eastern and southern boundaries of the site shall be submitted to the Local Planning Authority for their approval not later than six months after the commencement of the development hereby permitted and the scheme as approved shall be completed within one year after the date of such approval and thereafter maintained to the reasonable satisfaction of the Local Planning Authority.
5. Land shall be reserved along the whole of the frontage of the site to the highway for the future widening of the highway.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

1. To ensure that the use of the proposed building is restricted to that for which application is made as the site is not zoned for industrial purposes in the County Development Plan.
- 2,3 & 4. In the interests of the visual amenities of the locality.
5. To ensure the development hereby permitted does not prejudice the future improvement of the adjoining highway.

Dated 4th day of December 1964.

Clerk/~~Surveyor~~ of the Council.

NOTE.

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the Applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of Section 17(1), 18(1) and 38 of the Act and of the Development Order and to any directions given under the Order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.

(4) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 and Part VI of the Town and Country Planning Act, 1962.
