at <u>The Red House, High Street, Kings Langley.</u> <u>(Part Parcel 331 on OS.HERTS.XXXVIII.4)</u>

Brief description and location of proposed development.

In pursuance of their delegated powers under the above-mentioned Act and the Orders and Regulations for the time being in force thereunder, the Council on behalf of the Local Planning Authority hereby permit the development proposed by you in your application dated 1/9/65 and received with sufficient particulars on 3/9/65 and shewn on the plan(s) accompanying such application, subject to the following conditions:—

1. The use of the ground floor of the premises shall be limited to accommodation required for a dental practice.
2. Simultaneously with the change of use of the ground floor of the premises provision shall be made for the parking of two cars as indicated on the plan accompanying Messrs.Stimpson,Lock & Vince's letter of the 30th September, 1965 and these parking spaces shall be kept continuously available for use in connection with the use hereby permitted.

The reasons for the Council's decision to grant permission for the development subject to the above conditions are:—

1. To enable the Local Planning Authority to review the position if the ground floor of the premises is no longer required for a dental practice as the accommodation forms part of a building which is residential in character and use.
2. To ensure that provision is made for the parking of cars likely to be associated with the proposed use in the interests of the safety and free flow of traffic on the adjoining highway.

Dated ..... 19th ..... day of ..... October ..... 19 65 .....

  
Clerk/~~Surveyor~~ of the Council.

NOTE.

(1) If the applicant wishes to have an explanation of the reasons for this decision it will be given on request and a meeting arranged if necessary.

(2) If the Applicant is aggrieved by the decision of the local planning authority to grant permission or approval subject to conditions, he may by notice served within one month of receipt of this notice, appeal to the Minister of Housing and Local Government in accordance with Section 23 of the Town and Country Planning Act, 1962. The Minister has power to allow a longer period for the giving of a Notice of Appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the local planning authority in regard to the proposed development are in progress. The Minister is not, however, required to entertain such an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the provisions of Section 17(1), 18(1) and 38 of the Act and of the Development Order and to any directions given under the Order.

(3) If permission to develop land is refused, or granted subject to conditions, whether by the local planning authority or by the Minister of Housing and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with Section 129 of the Town and Country Planning Act, 1962.

(4) In certain circumstances, a claim may be made against the local planning authority or the Minister of Housing and Local Government for compensation, where permission is granted subject to conditions by the Minister on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 123 and Part VI of the Town and Country Planning Act, 1962.
